**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Designation of Council representatives to serve on the interview panel for the Electric Utility Department Director Selection

MEETING DATE: December 6, 2005

PREPARED BY: Blair King, City Manager

RECOMMENDED ACTION: Designation of Council representatives to serve on the interview panel for the Electric Utility Department Director Selection.

BACKGROUND INFORMATION: Designate two Council members to serve on the "Community Interview Panel" for the Electric Utility Department Director selection.

To facilitate the selection of Lodi's next Electric Utility Department Director, the City Manager anticipates utilizing two panels, one comprised of Electric Utility professionals and the other comprised of community representatives, to interview final applicants. The Manager would appreciate the City Council's consideration of designating two members to serve on the community interview panel. It is expected that this will require a full day commitment. No tentative interview dates have been selected, although it is hoped to schedule the interviews as soon as possible.

Several applicants have expressed concerns with regard to confidentiality. To ensure the highest degree of confidentiality available, members of the interview panels will be requested to sign a confidentiality commitment agreement.

FISCAL IMPACT: Not applicable.
