Thank you very much for completing an application of interest in serving as a member of the Recreation Commission. It is people like you who are willing to donate their time and talent that make Lodi a very special place.

There were many excellent applications received, making the review and appointment process a difficult one; however, a choice had to be made. The candidates selected by the Mayor were appointed at the regular City Council meeting of February 21, 2007.

Your application will remain on file for review and consideration of future vacancies for a period of one year from the date it was received by the City Clerk's Office.

Your time and interest in serving your community is appreciated.

Sincerely,

Randi Johl

Our office had on file an application that you submitted expressing interest in serving as a volunteer member of the Site Plan and Architectural Review Committee, which was considered for the most recent vacancy on the Committee.

There were many excellent applications received, making the review and appointment process a difficult one; however, a choice had to be made. The candidate selected by the Mayor was appointed at the regular City Council meeting of February 21, 2007.

Applications are retained in our office and considered for vacancies for a period of one year, and I would like to take this opportunity to inform you that your application has now expired and will be purged from our files. If you are interested in being considered for future vacancies, you will need to complete a new application form (enclosed) and file it with our office.

Your time and interest in serving your community is appreciated.

Sincerely,

Randi Johl  
City Clerk
