

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Adopt Resolution Authorizing Transit Services Outside of Regular Service Operations for a Private Wedding on October 21, 2006, and Authorizing the Transportation Manager to Advertise to Determine if a Willing and/or Able Provider Exists for This Event

MEETING DATE: September 6, 2006

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That City Council adopt a resolution authorizing Transit services outside of regular service operations for a private wedding on October 21, 2006, and authorizing the Transportation Manager to advertise to determine if a willing and/or able provider exists for this event in accordance with the Policy for Use of Transit Service Outside of Regular Operations.

BACKGROUND INFORMATION: At the June 16, 2004, meeting, the City Council adopted policies and procedures for the use of transit services outside regular operations. Included in the adopted policy was specific language identifying the procedure for utilizing the City's transit services for public service events. The policy revisions call for the City's Transportation Manager to advertise not only in the local newspapers, but additionally to notify national trade organizations to determine if any other operator is willing and/or able to perform the service. To expedite this process, we do one general advertisement each year and should no provider be interested, the City's transit service may provide those services at the fully-allocated rate. Since this event was not included in the list of Council approved events, it would need to be advertised on its own. The applicant for the service will deposit in advance with the City sufficient funds for the advertisement of this special service. The current fully-allocated rate (contract cost plus maintenance, depreciation, etc.) is \$60 an hour per bus and will be charged to this special service.

FISCAL IMPACT: All services provided will be charged at the fully-allocated costs. There should not be any fiscal impact on the transit fund.

FUNDING: None required. All services shall be billed in accordance with the adopted City policy.
