AGENDA TITLE: Adopt Resolution Approving Addendum to Improvement Agreement for Public Improvements at **856 North** Sacramento Street to Provide One-Year Time Extension

MEETING DATE: April **16,2008**

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution approving the Addendum to the Improvement Agreement to provide one-year time extension for the Public Improvements at 856 North Sacramento Street and authorizing the City Manager to execute the agreement on behalf of the City.

BACKGROUND INFORMATION: The developer, Emile Atwood, has applied for a building permit to construct an office/retail building at 856 North Sacramento Street. There is no map required for this project. Public improvements, including curb, gutter, sidewalk and miscellaneous storm drainage improvements, are part of the off-site improvement requirement, as specified in LMC Chapter 15.44. The developer executed an improvement agreement for the required public improvements in June 2006. Under the terms of the improvement agreement, the developer had 365 days from the date of the agreement execution to complete the public improvements. The City has already approved an addendum to the improvement agreement to provide a one-year extension and now the developer is requesting another year extension. As a condition of the building permit, all public improvements must be completed prior to occupancy. All public improvements are expected to be completed by March 19, 2009.

The public improvements have not been completed as of this date, due to financial constraints on the part of the developer. The developer desires to comply with the requirements of the agreement and is requesting a time extension for completion of the public improvements. Staff feels this is a reasonable request and is recommending a one-year extension for the public improvements as specified under the terms of the original improvement agreement. The addendum also specifies that the developer pay all the additional costs of the document preparation (\$566) and provide the necessary contract security and insurance under the terms of the original agreement.

The developer has executed the agreement and paid the additional fees. Staff is recommending that Council approve the Addendum to the Improvement Agreement for the Public Improvements at 856 North Sacramento Street and authorize the City Manager execute the agreement on behalf of the City.

FISCAL IMPACT: There will be no financial impact to the City.

FINANCING AVAILABLE: Not applicable.
