

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Adopt Resolution Awarding Contract for Citywide School Safety Signage Project to Farwest Safety, Inc., of Lodi, (\$81,918.50) and Appropriating Funds (\$88,000)

MEETING DATE: August 1, 2007

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution awarding the contract for the Citywide School Safety Signage project to Farwest Safety, Inc., of Lodi, in the amount of \$81,918.50 and appropriating funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: This project consists of furnishing and installing school signs, roadside posts, and pavement markings, and performing other incidental and related work, all as shown on the plans and specifications for the project.

In June 2005, City Council authorized staff to submit Safe Route to School grant applications to the California Department of Transportation (Caltrans). In June 2006, Caltrans approved the Citywide School Signage grant and funds became available. The intent of the grant is to comply with recently-adopted guidelines for Federal and State mandated school pedestrian warning signs. The compliance date for the installation of these particular signs is January 2011. There are various compliance dates for other types of signs and pavement markings. The new school signs include School Advance Warning Assembly D in advance of the existing school signs and School Crosswalk Warning Assembly B at school crosswalks, as shown on Exhibit A. The new guidelines have eliminated the crosswalk lines from the school signs. These signs provide additional warning for motorists entering a school zone and approaching school crosswalks. In addition to these signs, existing signs and marking were relocated or removed to be brought into compliance with Federal and State guidelines.

Plans and specifications for this project were approved on June 6, 2007. The City received the following three bids for this project on July 3, 2007.

Bidder	Location	Bid
Engineer's Estimate		\$ 70,513.50
Farwest Safety, Inc.	Lodi	\$ 81,918.50
Chrisp Company	Fremont	\$ 90,945.00
Rileys Striping	Union City	\$ 114,602.00

The bid received from Farwest Safety, Inc., is compliant with the City's plans and specifications, the bidder possesses the required valid contractor's license, and although the bid is somewhat above the estimate, it appears reasonable. A bid summary is attached.

APPROVED:

FISCAL IMPACT: Using some grant funds will eliminate the need to **use** all Street Maintenance funds for installation of these improvements by the compliance deadline. However, replacements costs will be needed in eight to ten years. The requested appropriation includes contract and contingency costs.

FUNDING AVAILABLE: Requested Appropriation:

<u>Fundina Source</u>	<u>Amount</u>
Safe Route to School	\$ 42,800
TDA Ped & Bike	\$ 5,200
Street Maintenance Account	<u>\$ 40,000</u>
