Our office had on file an application that you submitted expressing interest in serving as a volunteer member of the Library Board of Trustees, which was considered for the most recent vacancy on the Board.

There were many excellent applications received, making the review and appointment process a difficult one; however, a choice had to be made. The candidate selected by the Mayor was appointed at the regular City Council meeting of May 21, 2008.

Applications are retained in our office and considered for vacancies for a period of one year, and I would like to take this opportunity to inform you that your application has now expired and will be purged from our files. If you are interested in being considered for future vacancies, you will need to complete a new application form (enclosed) and file it with our office.

Your time and interest in serving your community is appreciated

Sincerely,
