Dear Mr. King:

Enclosed is a summary of the San Joaquin Council of Governments' Annual Financial Plan (AFP) for Fiscal Year 2008-2009. The Board unanimously adopted the Plan on April 24, 2007. A copy of the adopting resolution is enclosed. Pursuant to SJCOG's Joint Powers Agreement, following adoption of the budget by the SJCOG Board, it is to be delivered to member agencies for ratification by each governing body.

Therefore, SJCOG requests you place SJCOG's Annual Financial Plan for Fiscal Year 2008-2009 on a forthcoming agenda prior to June 30, 2008 for your Council's approval.

The Annual Financial Plan implements the FY 2008-2009 Overall Work Program (OWP) that was also adopted by the SJCOG Board on April 24, 2008.

The attached Annual Financial Plan summary provides a detail of expenditures by cost category and line item comparing the proposed budgets with the current year (FY 2007/08) adopted budget (as amended) and the actual expenditures for FY 2006/07. The following assumptions are incorporated in the budget:

1. Work will not begin and expenses will not be incurred unless anticipated revenue sources are secured.
2. SJCOG anticipates being fully staffed for the entire fiscal year, therefore the Salaries and Benefits cost category is fully funded. No additional staff is being requested.
3. Duplicating the process from previous years, 12% of total current salaries is included in Salaries and Benefits for the pay for performance pool (approximately \$282,614). (By way of background, SJCOG does not award cost of living adjustments or have the traditional 5% step increases for its staff. All raises are considered on the basis of merit in the achievement of goals set annually.)

REVENUES

SJCOG operating revenues are down 6.3% or \$534,567 lower. Overall, federal funding for operating is virtually the same as 2007/08 and includes obligating additional FHWA P1 funds beyond the current year's obligation in order to meet the aggressive work activities of the Overall Work Program. State funding sources are down 31.1% due to the completion of several planning projects. Local revenues are 4.7% higher reflecting the flattening out of the sales tax generated resources, the Local Transportation Fund and Measure K.

EXPENDITURES

Salaries and Benefits are proposed to increase 9.9%. Salaries increase 9.86% and benefits increase 10.18%. No new positions are being requested. The proposed budget includes the adjustments in certain staff as a result of the Compensation and Classification adopted by the Board in December 2007. (SJCOG's salary ranges had not been adjusted for eight years resulting in entry-level salaries being considerably lower than comparable, market level positions. The adopted new ranges increased the minimum salaries of most positions, without increasing the maximum salary. When the minimum salaries were adjusted higher, a number of staff salaries need to be raised to the new minimum.)

Services and Supplies is proposed to be 1.4% higher than the current year. In raw dollars, the most significant change is in Office Expense with the largest share of that change going toward software and licenses.

Professional Services is decreasing 23.2% reflecting the completion of significant amounts of consulting work in the OWP.

Fixed Assets remains the same as approved in 07/08 at \$80,500.

SJCOG staff would be pleased to appear before your policymakers to answer any questions they might have regarding this matter. **We request ratification prior to June 30, 2008.** Please let me know when this will be on your agenda. If you have any questions regarding this matter, don't hesitate to contact me at 468-3913.

Thank you for your assistance.

Sincerely,

STEVE DIAL
Deputy Executive Director/Chief Financial Officer
