

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: November 3, 1992 General Municipal Election

MEETING DATE: May 6, 1992

PREPARED BY: City Clerk

RECOMMENDED ACTION: It is recommended that the Lodi City Council adopt the following resolutions pertaining to the November 3, 1992 General Municipal Election:

- a) Resolution No. 92-71 entitled, "A Resolution of the City Council of the City of Lodi, California Calling and Giving Notice of the Holding of General Municipal Election to be held in the City on Tuesday, November 3, 1992, for the Election of Certain Officers of the City as Required by the Provisions of the Laws of the State of California Relating to General Law Cities";
- b) Resolution No. 92-72 entitled, "A Resolution of the City Council of the City of Lodi, California, Adopting Regulations for Candidates for Elective Office Pertaining to Candidates' Statements Submitted to the Voters at an Election to be Held November 3, 1992"; and
- c) Resolution No. 92-73 entitled. "A Resolution of the Lodi City Council Determining That There Will Be No Filing Fee Charged for the November 3, 1992 General Municipal Election".

BACKGROUND INFORMATION: The 1992 General Municipal Election for two Council seats will be held Tuesday, November 3, 1992. The terms of Council Members Hinchman and Pinkerton are expiring.

By State statute a number of actions and decisions must be made by the Council prior to the opening of nominations.

- a) It will be necessary for the City Council to adopt a resolution calling and giving notice of the holding of a General Municipal Election in the City of Lodi on November 3, 1992.

On October 19, 1988, the City Council adopted Ordinance No. 1438 consolidating Municipal Elections with State-wide General Elections. This Ordinance was approved by the San Joaquin County Board of Supervisors on February 7, 1989.

- b) The California Elections Code allows each candidate, for a non-partisan elective office in a city, to prepare a statement to be included with the sample ballot and mailed to each registered voter.

THOMAS A. PETERSON
City Manager

The law requires the Council to adopt a policy no later than seven days before the nominations period opens regarding the candidates' obligation for payment for candidates' statements. The policy may also include the City's position on three additional aspects of the Voters' Pamphlet mailing.

1. Payment

Elections Code Section 10012 allows the City to estimate the cost of the candidates' statements and requires each candidate filing a statement to pay in advance to the City his or her pro rata share as a condition of having his or her statement included in the voters' pamphlet. The cost of the candidates' statement may be borne by the City, the candidate, or the cost shared between them. (It should be noted that the City has in the past elected not to charge candidates for the cost of the candidates' statements.)

2. Word Limit

The Council may authorize an increase in the limitation on words for the statement from 200 to 400 words. (It should be noted that the City has in the past elected not to increase the word limitation to 400 words.)

3. Spanish Language

Federal law does not require Spanish translation in San Joaquin County. The City Council may wish to reflect State law which allows candidates to request Spanish candidates' statements.

Other options that the City Council might consider are:

- a) Have translated and printed in the voters' pamphlet only the candidates' statements of those candidates who request translation and printing.
- b) Have all candidates' statements translated and printed in the voters' pamphlet.
- c) Have all candidates' statements translated and available upon request in the City Clerk's office.
- d) Have all candidates' statements translated but print only those statements which the candidate requests to be printed, others available upon request in the City Clerk's office.

The City Council in the past has not charged candidates for these translations.

Filing Fee for Processing Nomination Papers

Section 22843 of the Election Code of the State of California provides that a filing fee proportionate to the costs of processing a candidate's nomination papers as determined by the City Council and set by ordinance but not exceeding twenty-five dollars (\$25), may be imposed, to be paid upon the filing of such nomination papers.

California courts have ruled that you may not refuse to place a candidate's name on the ballot due to an inability to pay the filing fee. If the fee cannot be waived, an alternative must be provided. Court guidelines are similar to Election Code Section 6555 providing for the substitution of four additional signatures for each one dollar of the filing fee, or an additional one hundred signatures.

In the past the City Council determined that there would be no filing fee to the processing of candidates' nomination papers.

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Establish Policy if No One, Or Only One. Person is Nominated for an Elective Office in the November 3, 1992 General Municipal Election

MEETING DATE: May 6. 1992

PREPARED BY: City Clerk

RECOMMENDED ACTION: That Council adopt Resolution No. 92-75 - A Resolution of the City Council of the City of Lodi providing for the appointment to the offices of this City that were to be elected Tuesday, November 3, 1992 of the persons who have been nominated if there are not more candidates than offices to be elected.

BACKGROUND INFORMATION: Sections 22843.5 and 22844 of the Election\$ Code allow for one of the following courses of action to be taken by the City Council in the event there are not more candidates than offices to be elected, or if no one is nominated:

1. Appoint to the office the person who has been nominated.
2. Appoint to the office any eligible voter if no one has been nominated.
3. Hold the election if either no one or only one person has been nominated.

The City Council may recall that a number of years ago only the incumbents were nominated for office at the General Municipal Election held in Lodi. State statute, at that time, mandated that the election be held. The City had to bear the cost of the election and the voter turnout was extremely low. State statutes have since been amended to allow for a number of courses Of action, which can be followed, should this happen. However. the decision on which course of action is to be followed must be adopted by the Council prior to the election.

The provisions of this statute do not apply if, at the subject election. more than one person has been nominated to another City office to be elected on a City-wide basis or city measure has qualified to be placed on the ballot.

In the event that no nominations are received, this matter will be brought back to the Council following the close of nominations for Council to decide if it wishes to appoint eligible voters to the office or hold the election which would then allow for write-in candidates.
