COUNCIL COMMUNICATION

AGENDA TITLE: Approve the Purchase and Installation of New Miracle Group Playground Equipment at Candy Cane Park by the Soroptimist Club. Allow a Loan of \$8,000 to the Service Club With Annual Paybacks by Agreement

MEETING DATE: June 20, 1991

PREPARED BY: Parks and Recreation Director

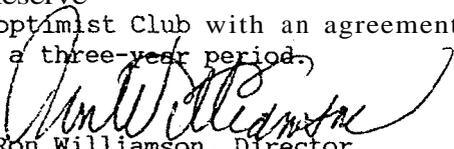

RECOMMENDED ACTION: That the City Council approve the purchase and installation of new Miracle group playground equipment at Candy Cane Park by the Soroptimist Club and that the council allow a loan of \$8,000 with annual paybacks by agreement.

BACKGROUND INFORMATION: Sometime ago I spoke to the Soroptimist Club of Lodi at their luncheon meeting. I indicated the variety of projects local groups were doing to assist the City and meet their service obligation to their international program and the citizens of Lodi. I indicated that in the mid-1950's, the Soroptimist club had installed playground equipment at Candy Cane Park, that this equipment was in need of replacement, and asked if the club would be interested in pursuing this project. Shortly after this engagement, I was contacted by Alice Reimche, incoming president of Soroptimist, who very much wanted more information and dollar figures to accomplish this project. Estimate included type of equipment to be installed and installation costs. The project was approved by the Soroptimist's Board of Directors with plans for a two or three year payback.

Hrs. Reimche spoke at our Parks and Recreation Commission Meeting in June. The Soroptimist proposal was warmly accepted and backed 100% by the commission. The project was discussed, the loan agreement considered, and the commission moved to recommend that the concept and request go to the City Council.

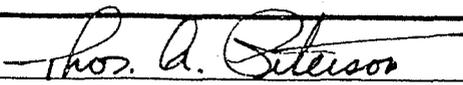

We have had a lot of success doing projects with service clubs in this manner, and support the commission and staff's position in moving this project along to install badly needed new group playground equipment in this park. (See Exhibit A).

FUNDING: \$8,000 - 121.0 Capital Outlay Reserve
This would be a loan to the Soroptimist Club with an agreement that they pay back all monies within a three-year period.
