## COUNCIL COMMUNICATION

AGENDA TITLE: Improvement Agreement for Water Main Relocation,  
360 South Cherokee Lane, Lodi, California

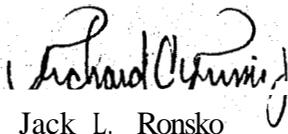

MEETING DATE: September 18, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the Improvement Agreement for relocation of an existing water main at 360 South Cherokee Lane and direct the City Manager and City Clerk to execute the agreement on behalf of the City.

BACKGROUND INFORMATION: The developers, Cherokee Retail Associates, have submitted a final parcel map to the City for approval (see attached Exhibit A). Current plans call for the construction of an Orchard Supply Hardware Store on Parcel 2. In order to accommodate this construction, an existing 8-inch water main located in the 10-foot public utility easement on Parcel 2 will have to be abandoned and relocated. The developer has furnished the City with the improvement plans, the necessary easement agreements, guarantees, insurance certificates, and fees for the water main relocation.

FUNDING: None required.
