Dear Mr. Horton:

Please accept **this** letter **as my** resignation from membership, and as Chairman, **of** the San Joaquin County Integrated Waste Management Local Task Force. I have enjoyed the time I was able to devote to this Task Force. The work it **has** accomplished, and the integration task which lies before it, **is** crucial toward developing a truly effective regional source reduction **and** recycling program. Unfortunately, current demands on my time have forced me to **focus** energy **on a more** compact range of projects. City Council will be appointing a **new** representative to the task Force. **You w**ill be notified of the new appointment shortly.

Sincerely,

David M. Hinchman
