

C O U N C I L C O M M U N I C A T I O N

TO: THE CITY COUNCIL
FROM: THE CITY MANAGERS OFFICE

COUNCIL MEETING DATE
JANUARY 18, 1989

SUBJECT: TO OBTAIN CITIZENS COMMENTS ON TRANSIT NEEDS WITHIN THE CITY OF LODI

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: None required.

BACKGROUND INFORMATION: Public law requires each public agency receiving local transportation funds to hold an annual public hearing to receive public input on unmet transit needs.

Transportation needs can best be described as those trips required to provide the essentials necessary to maintain a minimum standard of living. This includes trips necessary for medical and dental services, shopping, employment, personal business, education, social services, and recreation.

After needs are determined, then a decision must be made whether they can reasonably be met. COG has defined this "reasonable to be met" standard in economic terms.

In 1988 COG found there were no unmet transit needs *in* the City of Lodi. However, staff feels there is a need to acquire a vehicle with wheelchair capability.

Attached is a usage schedule which provides performance indicators for Dial-A-Ride during the past 12 months.

Council is not required to **make** any findings or take any action at this meeting. COG is responsible for defining the unmet needs and whether these needs can reasonably be met.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
