

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Approve Plans and Specifications and Authorize Advertisement for Bids for 2010 Street Improvements Project

MEETING DATE: April 7, 2010

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Approve the plans and specifications and authorize advertisement for bids for 2010 Street Improvements Project.

BACKGROUND INFORMATION: This project consists of installing 7,100 tons of asphalt concrete overlay with pavement fabric, performing 9,100 square feet of pavement dig-out, reconstructing 67,740 square feet of asphalt concrete pavement, and other incidental and related work, all as shown on the plans and specifications for the project. The locations of the street improvements are shown on Exhibit A.

The proposed project is part of the 2010 Street Maintenance Project for Proposition 1B Funding which was approved by the City Council on November 4, 2009 (Resolution No. 2009-154). The street improvements on Ham Lane and Vine Street are expected to start in June 2010 to avoid conflicts with Lodi Unified School District's schedule for Tokay High School and Lodi Middle School. The project is expected to be completed before the start of the school year in July 2010.

The plans and specifications are on file in the Public Works Department. The planned bid opening date is May 4, 2010.

FISCAL IMPACT: The project will reduce the maintenance and emergency response costs due to drainage and flooding problems in the affected area.

FUNDING AVAILABLE: The money for this project will be coming from the Proposition 1B Fund. A request for appropriation of funds will be made at contract award.
Project Estimate: \$1,190,000

F. Wally Sandelin
Public Works Director
