

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL	COUNCIL MEETING DATE	NO.
FROM: THE CITY MANAGER'S OFFICE	MAY 16, 1990	
SUBJECT: SPECIFICATIONS AND ADVERTISEMENT FOR BIDS FOR LODI LAKE PATROL BOAT		

RECOMMENDED ACTION: That the City Council approve the specifications and authorize advertisement for bids for one 18-foot Gregor pontoon-style patrol boat for Lodi Lake.

BACKGROUND INFORMATION: In 1989 the City Council approved funding to replace an aging patrol boat at Lodi Lake. After studying various boat designs, the Parks Department selected the pontoon-style as the one best suited for the needs at the Lake.

First, the twin hull provides stability necessary when bringing a swimmer on board. Second, the low deck allows easier access to persons or objects in the water. Third, the shallow hull allows accessibility to virtually all areas of the Lake and shoreline if law enforcement or assistance becomes necessary.

The 1989-90 Parks Department budget includes \$8,000 for this purchase.

If authorized, the bid opening would be scheduled for Tuesday, May 29, 1990.
