Partnership

- The Lodi Arts Commission, Lodi Arts Foundation, and the Art in Public Places Advisory Board are proud to have successfully partnered with various Lodi businesses, community groups and service organizations in the past year to bring the arts in a variety of mediums to the residents of Lodi.

Partnership

- Without the invaluable support of the City Council and Staff, as well as the countless volunteer hours provided by the Commissioners and other interested community members, our success would not be what it is today!

Partnership

- First Friday Art Hop
 - This on-going art venue is a steadfast example of partnerships with Lodi businesses who along with Hutchins Street Square recruit the artists and host a very well attended First Friday Art Hop each month

Partnership

- First Friday Art Hops
 - Allow local Artists an Opportunity to Show their Work
 - Allow Local Wineries to Showcase their Wines
 - Allow Artists and Art Lovers a Chance to Network

Partnership

Project Lodi Art is a shining example of a winning partnership with the community, local businesses and service organizations in Lodi

Project Lodi Art

- Phase I – Lodi Avenue Sidewalk Mosaic Project was successfully completed in 2010

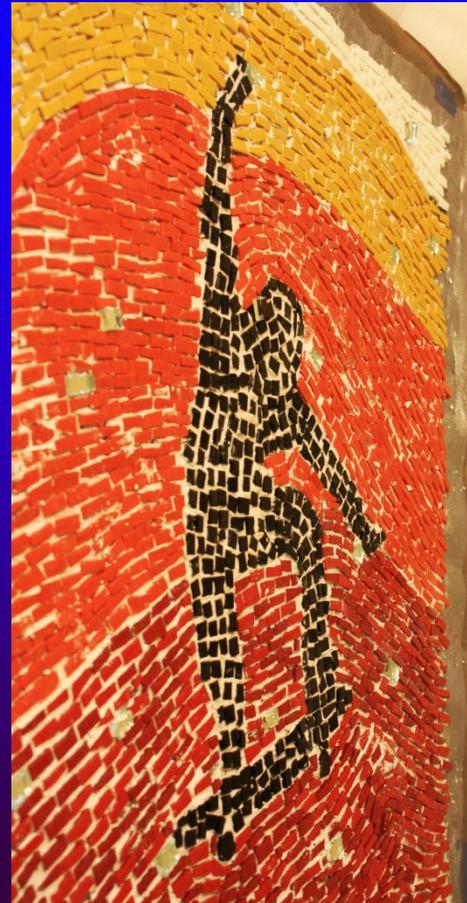

Project Lodi Art

- Phase II was successfully completed in 2011. Phase II, Van Buskirk Seating Wall Mosaic was created by Liberty High School Arts Students. These at-risk students were provided the opportunity to use their art class time creating this mosaic. With funding for the arts reduced in schools this was a chance to bring art back to the classroom
