

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Purchase Order for Repair, Installation, and Performance Certification Testing of the Fire Suppression Pump on Unit 2052 Quint Truck to Hi-Tech EVS, Inc., of Oakdale, California (Not to Exceed \$25,000)

MEETING DATE: July 20, 2011

PREPARED BY: Interim Fire Chief

RECOMMENDED ACTION: Adopt a resolution awarding a purchase order for the repair, installation, and performance certification testing of the fire suppression pump on Unit 2052 Quint Truck to Hi-Tech EVS, Inc., of Oakdale, California, not to exceed \$25,000.

BACKGROUND INFORMATION: Unit 2052 is a 1989 Quint Truck that has served the City for over 22 years. This truck is the back-up unit and is placed into operation when service or repairs are needed on Truck 2051. Due to normal wear and tear, the fire suppression pump on this unit is inoperable and has been diagnosed as needing a complete rebuild. Considering the age of this truck, staff considered alternative options and this option, which is a sole source purchase order, is deemed to be the most financially responsible and operationally acceptable.

A new replacement truck will cost approximately \$750,000 and a used truck with an acceptable service life and necessary capabilities will be at least \$200,000. The Fire Department's Fleet Replacement Plan calls for the replacement of Truck 2051 in FY 2013/14, at which time Truck 2052 will be removed from its reserve apparatus status and salvaged.

FISCAL IMPACT: Up to \$25,000 from Fire Department budget that will reduce available funding for other emergency operation needs. Most cost-effective method to keep Truck 2052 available for fire-suppression operations for at least two more years. Fire Department has funds in FY 2011/12 Emergency Operations Account 102012.7333 to cover the cost of this repair.

FUNDING AVAILABLE: Fire Emergency Operations Account 102012.7333.

Jordan Ayers, Deputy City Manager/
Internal Services Director

Dan M. Haverty, D.P.A. Interim Fire Chief

RESOLUTION NO. 2011-_____

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING THE PURCHASE ORDER FOR THE REPAIR,
INSTALLATION, AND PERFORMANCE CERTIFICATION
TESTING OF THE FIRE SUPPRESSION PUMP ON
UNIT 2052 QUINT TRUCK

=====

WHEREAS, it is the responsibility of the Fire Chief to ensure the readiness of the Fire Department to respond to emergencies within the City; and

WHEREAS, Reserve Truck Unit #2052 has been determined to need a major suppression pump overhaul; and

WHEREAS, Hi-Tech EVS, Inc., is capable to perform the repair, installation, and complete the performance certification testing of the fire suppression pump at a reasonable cost.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve the Purchase Order with Hi-Tech EVS, Inc. for the repair, installation, and performance certification testing of the fire suppression pump on Unit 2052 Quint Truck in an amount not to exceed \$25,000.

Date: July 20, 2011

=====

I hereby certify that Resolution No. 2011-_____ was passed and adopted by the Lodi City Council in a regular meeting held July 20, 2011, by the following vote:

- AYES: COUNCIL MEMBERS-
- NOES: COUNCIL MEMBERS-
- ABSENT: COUNCIL MEMBERS-
- ABSTAIN: COUNCIL MEMBERS-

RANDI JOHL
City Clerk
