

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of 15-KV Concentric Neutral Cable
MEETING DATE: August 7, 1991
PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the bid for 30,000 feet of #2 Aluminum, 15-kv, concentric neutral, jacketed cable to the low bidder, Delta Pacific Sales of Yuba City, in the amount of \$27,508.58.

BACKGROUND INFORMATION: On June 20, 1991, the City Council approved specifications and authorized advertisement for bids. Bids were opened on July 23, 1991, with results shown on the following page.

Although Delta Pacific's alternate bid of \$27,153.00 is \$355.58 lower than the bid recommended for award, it allows less than a 10% escalation in the price of copper before its actual delivery price would exceed Delta Pacific's firm delivered price of \$27,508.58. It is therefore recommended that the award be based on the firm price.

This cable will be used in the installation of electric distribution systems in subdivisions and other developments expected to be under construction in late 1991 and early 1992.

FUNDING: Funds for this purchase are available in the Electric Utility Department's Operating Fund.

Henry J. Rice
Electric Utility Director

Prepared by Joel Harris, Purchasing Officer

APPROVED. 

THOMAS A. PETERSON
City Manager
