PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
 FROM: City Manager
 MEETING DATE: September 19, 1990
 AGENDA TITLE: Contract Award for Church Street Overlay, Tokay Street to Chestnut Street

RECOMMENDED ACTION: That the City Council award the contract for the above project to Claude C. Wood Company in the amount of \$92,488.20.

BACKGROUND INFORMATION: This project will resurface Church Street from Tokay Street to Chestnut Street with pavement reinforcing fabric and an asphalt concrete overlay. In addition, handicapped ramps will be installed.

This project has been included in the 1990-91 Street Capital Improvement Program being reviewed by the City Council tonight. Although the total project exceeds the budgeted amount, some of the expenses will be charged to water and wastewater relocation accounts and the handicapped ramp installation account.

Claude C. Wood Company has given the City competitive prices on other City projects this past season. The Public Works Department doesn't feel there is any problem with Claude C. Wood Company being the only bidder on this project.

Plans and specifications for this project were approved on September 5, 1990.

The City received the following bid for this project:

<u>BIDDER</u>	<u>LOCATION</u>	<u>BID</u>
Engineer's Estimate		\$77,286.00
Claude C. Wood Company	Lod	\$92,488.20
