COUNCIL COMMUNICATION

PROJECT DATA

TO: City Council Originally Budgeted: 1987-88
FROM: City Manager Budgeted Fund: 32,124 & 17
Amount Budgeted: \$99,800
MEETING DATE: January 6, 1988 Total Material Estimate: \$22,000
Total Material Bid: \$31,350
AGENDA TITLE: Award Contract for Asphalt Materials for Third
and Fourth Quarters of Fiscal Year 1987-88

RECOMMENDED ACTION: That the City Council award the contract for asphalt materials for the third and fourth quarters of Fiscal Year 1987-88, Item No. 1 A & C and Item No. 2 A & C to Claude C. Wood Company, Clements, CA and Item No. 1 B and Item No. 2 B to Teichert Aggregates, Tracy, CA.

BACKGROUND INFORMATION: The specifications for asphalt materials were approved by the City Council at its meeting December 16, 1987, and three (3) **bids** were received.

The cost of asphalt material per-ton is approximately the same since the last bid was requested in June 1987.

There is a discrepancy of \$9,350 between Material Estimate and Material Bid (above) because the material needed to **pave** roads at the White Slough Treatment Facility **was** inadvertently left out of the Material Estimate, Council Communication dated December 16, 1987. The funds to cover that discrepancy are budgeted under 17.2-400.50.

A tabulation of the bids received is attached for your information.
