

C O U N C I L C O M M U N I C A T - O N

TO : THE CITY COUNCIL
FROM: THE CITY MANAGERS OFFICE

COUNCIL MEETING DATE
APRIL 5, 1989

SUBJECT: **ADOPTION OF URGENCY ORDINANCE ESTABLISHING RATE SCHEDULE FOR
INFECTIOUS WASTE REMOVAL AND DISPOSAL**

PREPARED BY: Assistant City Manager

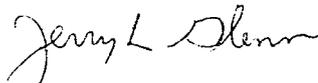

RECOMMENDED ACTION: Council adopt by urgency ordinance the attached
schedule of fees for the pickup and disposal of
infectious waste .

BACKGROUND INFORMATION: The franchise agreement with Sanitary City Disposal
Company gives them the exclusive right to pickup all
solid waste within the City and assigns the task of
billing to the City of Lodi.

Our present fee schedule does not provide for this specialized billing;
therefore, the City cannot collect for this service. Sanitary City stopped
billing for the service effective January 1, 1989.

In order to collect the fees due, we are proposing this schedule of rates be
effective January 1, 1989 and the Council direct the Finance Director to issue
separate bills for the months of January, February and March.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager

MEMORANDUM

TO: The Honorable Mayor and
Members of the City Council

FROM: Assistant City Manager

DATE: April 4, 1989

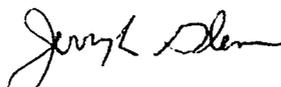

SUBJ: Infectious Waste Rates

Today Mr. Vaccarezza of Sanitary City Disposal Company informed me that he had changed vendors for the containers used to handle infectious waste. The sizes are slightly different and additional sizes have been added.

In addition, the four-cubic yard container service is no longer being provided.

The billing for this service for January, February and March has been handled on a special billing basis. Therefore, the effective date of the ordinance can be April 1, 1989 rather than January 1989.

A revised ordinance is included which reflects the proper nomenclature for the containers and the effective date of the new billing.
