

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Presentation of Proclamation Proclaiming June 21, 2012, as “2012 National Dump the Pump Day” in Lodi

MEETING DATE: June 20, 2012

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Presentation of proclamation proclaiming June 21, 2012, as “2012 National Dump the Pump Day” in Lodi.

BACKGROUND INFORMATION: The seventh annual National Dump the Pump Day is a day encouraging people to ride public transportation to save money, protect the environment, reduce our dependence on foreign oil, and improve the quality of life for all Americans. This is the second year the City of Lodi Transit has participated in the Dump the Pump Day campaign. On Thursday, June 21, 2012, City of Lodi Transit is offering free rides on the fixed routes, and the City’s transit contractor, MV Transportation, Inc., will be donating raffle prizes (transit passes).

The National Dump the Pump Day campaign provided the following statistics:

- People who ride public transportation can save, on average, more than \$10,000 per year, based on today’s gas prices, the cost of owning a car and the average unreserved parking rate.
- U.S. public transportation use reduces the country’s carbon footprint by 37 million metric tons – the equivalent of 4.9 million households using electricity in a year.
- U.S. public transportation use saves 4.2 billion gallons of gasoline per year – the equivalent of 900,000 cars filling up every day.
- Public transportation use in 439 urban areas in the United States saved 796 million hours in travel time and 303 million gallons of fuel in 2010, and, without public transportation, congestion costs would have risen by nearly \$17 billion.

A representative from the City of Lodi Transit Division and MV Transportation, Inc., will be present to accept the proclamation.

FISCAL IMPACT: Not applicable.

FUNDING AVAILABLE: Not applicable.

 F. Wally Sandelin
 Public Works Director

Prepared by Paula Fernandez, Transportation Manager/Senior Traffic Engineer
