

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: September 20, 1989
AGENDA TITLE: "No Parking" or Cherokee Lane at Victor Road

RECOMMENDED ACTION: That the City Council approve the installation of 78 feet of "no parking" between the crosswalks on the west side of Cherokee Lane at Victor Road.

BACKGROUND INFORMATION: The Public Works Department staff has received a complaint that trucks parking between the crosswalks on the west side of Cherokee Lane at Victor Road are blocking the view of two traffic signals and two warning signs. These traffic control devices regulate the movement of westbound traffic. We have verified the problem; a parked truck completely blocks the view of the signals.

Parking is currently allowed at this location and the truck drivers may not be aware that they are creating a problem. Staff feels that "no parking" should be installed in this area (see attached sketch).
