CITY COUNCIL MEETING  
NOVEMBER 1, 1989

TRANSIT GUIDEWAY FUNDS

CC-50(b)  
CC-7(n)

Council Member Olson spoke regarding a ballot measure which was passed in 1988 which qualified the County of San Joaquin as a "Proposition 5 County". This status makes San Joaquin County eligible for Article XIX Transit Guideway funds. The first application from the County of San Joaquin is for a track connection in the northeast quadrant between the Atchison, Topeka and Santa Fe and the Southern Pacific railroads where they intersect in Stockton. The City Manager was asked to contact the County Council of Governments' staff regarding the matter.
