

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE:
November 15, 1989

SUBJECT: Purchase of Self Contained Breathing Apparatus, Face Pieces,
and Equipment for the Fire Department.

RECOMMENDED (ACTION): That the City Council approve the purchase of
MSA Face Pieces, Regulator Conversion Kits, and two Ultra Lite SCBA
units.

BACKGROUND: The Fire Department is presently equipped with Self
Contained Breathing Apparatus (SCBA) manufactured by the MSA company.
In the 1989-90 budget the purchase of additional equipment and the
necessary items to upgrade current SCBA were approved. The upgrading
is required by OSHA regulations and will add to the present safety of
our personnel. Since it is against OSHA regulations to mix and match
this type of equipment we are requesting to purchase the equipment
through the Special T Company of Santa Rosa California. Joel Harris
has checked with the MSA company and was told that Special T is their
Northern California Distributor.

A breakdown of the purchase requested is as follows:

Face pieces w/ breathing tube and neck strap....	\$ 5800.00
#486182 conversion kits.....,.....	5650.00
Two Ultra Lite SCBA	2950.00
Two cases for Ultra Lite SCBA..	191.00
	<u>\$ 14591.00</u>

The 1989/90 Budget contains \$ 14,755.00 for the purchase of this
equipment. The funds are budgeted in the Equipment Fund, 12.0-012.01-
20; 12.0-012.01-22; and in the General Fund, 10.0-201.01-30 .
