Dear Mr. Williamson:

The Lodi Noon Lions Club would like to inform you that we have voted and approved the Emerson Park Renovation as a major work project for our club.

Our commitment would be to provide manpower for construction work such as brick laying, paving, planting, etc., and to raise and contribute to the City of Lodi \$20,000 over the next five years.

We have established a committee for Emerson Park. That chairman is Ken Heffel, owner/operator of Vienna Convalescent Hospital. With the City Council's approval, we would like to meet with your staff to iron out some of the details.

Please let me know of an appropriate time for this meeting. Until then if I may be of any assistance, please contact me at (209)942-1730 or 368-2181.

Sincerely,
