COUNCIL COMMUNICATION

TO: City Council
 FROM: City Manager
 DATE: April 4, 1984
 SUBJECT: Extension of Bid Opening Date for Asphalt Material Bids

RECOMMENDED ACTION: That the City Council extend the opening date for asphalt materials to Wednesday, April 18, 1984.

BACKGROUND INFORMATION: The City Council at their meeting of March 21, 1984, approved the asphalt material specifications and authorized a bid opening date of April 4, 1984. This project was advertised, however, due to an oversight on our part, the proposals were not mailed to the standard bidders and no bids were received. It is, therefore, requested that the bid opening date be extended to April 18 with the intention of the Council awarding the bid at their April 18 meeting.
