SUBJECT: LODI LAKE PARKING FEES

Based on the attached figures it would appear that we would want to eliminate, for the present, the gate parking fee at Lodi Lake Park. We start charging daily at 1:00 p.m. until closing. My suggestion would be to do away with the gate fee Monday through Friday, Charge weekends only, weather permitting thru January and February. I believe the nasty weather has been a big factor in the skimpy attendance. Regardless, for now and future years we may want to close down November, December, and January. If we have a problem we can always change our procedure.
