**PLANS & SPECS
FOR "CLUFF AVENUE
STORM DRAIN, PHASE
II APPROVED**

The plans and specifications for "Cluff Avenue Storm Drain, Phase II" were presented for Council's approval. In general, the work consists of installing approximately 1100 LF of 72" storm drain pipe from the flood plain boundary at Willow Oaks Golf Course, to the intersection of Cluff and Turner, and a slide gate. A separate bid (Schedule 11) includes the installation of a 60" storm drain in Turner Road east of Cluff Avenue across the Sanitary City Disposal Company development.

On motion of Councilman Pinkerton, Murphy second, Council approved the plans and specifications for "Cluff Avenue Storm Drain, Phase II" and authorized the City Clerk to advertise for bids thereon.

CITY OF LODI

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: December 31, 1980
SUBJECT: Plans and Specifications for "CLUFF AVENUE STORM DRAIN, PHASE II"

RECOMMENDED ACTION: That the City Council approve the plans and specifications for "CLUFF AVENUE STORM DRAIN, PHASE II" and authorize the City Clerk to advertise for bids to be received Tuesday, January 27, 1981.

BACKGROUND INFORMATION: The construction of the Cluff Avenue Storm Drain was approved in the 1980/81 Capital Improvement Budget with an estimated expenditure of \$1,200,000, including 50% EDA participation. This phase of the project is being done prior to EDA grant approval in the anticipation that expenditures will be counted toward the City's share.

In general, the work consists of installing approximately 1100 LF of 72" storm drain pipe from the flood plain boundary at Willow Oaks Golf Course, to the intersection of Cluff and Turner, and a slide gate. A separate bid (Schedule II) includes the installation of a 60" storm drain in Turner Road east of Cluff across the Sanitary City Disposal Company development.

The total cost of the project is estimated at:

Schedule I	\$212,000.00
Schedule II	\$ 55,000.00

CITY OF LODI

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: December 31, 1980
SUBJECT: Plans and Specifications for CHEROKEE LANE STORM DRAIN

RECOMMENDED ACTION: That the City Council approve the plans and specifications for "CHEROKEE LANE STORM DRAIN, Vine Street to 250' S/Vine Street", and authorize the City Clerk to advertise for bids to be received Tuesday, January 27, 1981.

BACKGROUND INFORMATION: The construction of a storm drain in the west side of Cherokee Lane south of Vine Street was approved in the 1980-81 Capital Improvement Budget with an estimated expenditure of \$8,500.

In general, the work consists of installing approximately 250 LF of 12" storm drain pipe, a side inlet catch basin and 20 LF curb and gutter in the west side of Cherokee Lane south of Vine Street.

The total cost of the project is estimated at \$8,500.
