Dear Ted,

I wanted to let you know how much I appreciate being apprised of the City of Lodi's concern over the future status of postal service in downtown Lodi.

I've shared the City Council's resolution 80-115 with the Postal Service. As you may know, the Postal Service is reviewing local postal needs to determine the best location for a new postal facility. I've been assured that the city's position will be given careful consideration during this review.

Please don't hesitate to get back in touch with me if I can be of further assistance, Ted.

With best wishes,

Sincerely,

Alan Cranston
