RETAIL MERCHANTS COMMITTEE

Mayor Wally Katnich
City Council
221 W. Pine St.
Lodi, CA. 95240

Dear Mayor Katnich and City Council Members:

On behalf of the Retail Merchants Committee we would like to thank the Council and Staff of the City of Lodi, along with CLIC, for their cooperation in "hooding" the parking meters during the Christmas season.

Response from the merchants and their customers indicate they were very pleased and satisfied with the project. As expected, employee parking presented a slight problem. The Committee feels that an education program presented by employers, will produce minimal problems in the future.

The results have been so favorable that the Committee anxiously looks forward to the permanent removal of the meters.

You can be assured of our continued cooperation.

Sincerely,

B.R. Karchner Jr.
President
Lodi District Chamber of Commerce
