COUNCIL COMMUNICATION

FROM: THE CITY MANAGER'S OFFICE

SUBJECT: Workers' Compensation Contract Administration

Our annual contract with ESIS for contract administration expired December 31, 1980. They have offered to provide services for calendar year 1981 for \$4,900.00 for 50 claims, plus \$98.00 for each claim over 50.

The 1980 contract was for \$5,100.00 for 55 claims, plus \$191.00 for each compensation claim over 20, and \$36.00 for each medical claim over 35. We did not reach these maximums in 1980.

The new contract is for fewer dollars, represents the same service levels and less upside risk.

Council is respectfully requested to authorize the City Manager to extend the City's contract with ESIS for administration of our Workers' Compensation program.

JERRY L. GLENN
ASSISTANT CITY MANAGER
