City Manager Peterson reminded the Council that at its regular meeting of December 4, 1985, the City Council adopted Resolution No. 85-172 establishing parking restrictions in the area near the Pacific Coast Producers facility. This resolution accomplished the following:

- a) designated the area for permit parking;
- b) established certain times for "No Parking", except with a residential parking permit;
- c) established the enforcement period of June 1 through March 31.

The chronology of events resulting from this action was outlined for Council. Council discussion followed with questions being directed to Staff.

With regard to the specifics of the initial program, the following recommendations were made by City Manager Peterson:

- a. the program shall be administered by the Finance Department from 9:00 am to 4:00 p.m. Monday through Friday
- b. the program shall be enforced by the Finance Department from 8:00 am to 5:00 p.m. Monday through Saturday
- c. the Police Department shall be responsible for enforcement at times other than enumerated above
- d. residential parking permits shall be issued effective June 1, 1986 for a period of three years or to March 31, 1989, whichever occurs first
- e. the cost per permit shall be \$3.00 for each three-year period or lesser period of time thereof
- f. residents of the area so designated shall be issued one permit for each vehicle owned by the resident, upon producing proof of residency and vehicle ownership

City Manager Peterson further advised that the Finance Department will have the appropriate "paperwork" in place and the actual permits ready for sale by mid-March which is ample lead time prior to the start of the enforcement period (June 1).

Following additional discussion with questions being directed to Staff, Council, on motion of Mayor Pro Tempore Reid, Snider second, introduced Ordinance No. 1373 - An Ordinance of the Lodi City Council Amending Lodi Municipal Code Title 10, Chapter 10.32 Residential Permit Parking.
