LODI HIGH SCHOOL  
PARKING SIGN MODIFICATIONS

RES. NO. 86-08

cc 459  
cc 47  
cc 48K

Mamie Starr, Facility Planner, Lodi Unified School District, has requested that seven parking spaces north of the drama building driveway currently zoned for buses from 6:30 am to 4:30 p.m. on school days only, be converted to a two-hour limited parking for visitors. The relocation of the existing handicap space to the north of the drama building driveway was also requested. Two-hour parking for visitors cannot be designated in that manner since it is on-street parking in the Public Right-of-way. However, it can be signed for "2-hour Parking."

The Lodi Police Department has authorized the District to enforce the seven 2-hour on-street parking spaces.

The Lodi Unified School District will reimburse the City of Lodi for the cost of installation and removal of these signs.

Council adopted Resolution No. 86-08 establishing a two-hour parking zone from 7:00 am to 6:00 p.m., and a handicap space on Pacific Avenue.

## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
DATE: January 7, 1986  
SUBJECT: Lodi High School Parking Sign Modifications

**RECOMMENDED ACTION:** That the City Council adopt a resolution establishing a two-hour parking zone from 7:00 A.M. to 6:00 P.M., and a handicap space on Pacific Avenue as shown on the attached Exhibit A.

**BACKGROUND INFORMATION:** Mamie Starr, Facility Planner, Lodi Unified School District, has requested that seven parking spaces, north of the drama building driveway, currently zoned for buses from 6:30 A.M. to 4:30 P.M. on school days only, be converted to a two-hour limited parking for visitors. The relocation of the existing handicap space to north of the drama building driveway was also requested. Two-hour parking for visitors cannot be designated in that manner since it is on-street parking in the Public Right-of-way. However, we can sign it just "2-hour Parking." The Lodi Police Department has authorized the District to enforce the seven 2-hour on-street parking spaces. The LUSD Security Guards will be given instructions by the Lodi Police Department on chalking and citing violators.

The Lodi Unified School District will reimburse the City of Lodi for the cost of installation and removal of these signs.

Since the high school has 390 feet of curb zoned for buses and is the only property affected by these changes, the Public Works Department recommends the request to be approved subject to receiving payment from LUSD for relocation and installation of signs.
