CITY COUNCIL MEETING  
JANUARY 15, 1986

REQUEST FOR FOUR-WAY  
STOP AT INTERSECTION  
OF SACRAMENTO STREET  
AND TOKAY STREET

RES. NO. 86-13

*cc4sk*  
*01/15/86*

In response to a citizen complaint, the Public Works staff performed an intersection study at Tokay and Sacramento Streets which is currently controlled with 2-way stop signs. The study showed that 4-way stop signs are not justified due to the low volume on Sacramento Street. However, staff does recommend a "No Parking" zone on the northwest and southeast sides of Tokay Street. Realignment of the centerline on Sacramento Street should also be implemented.

Council adopted Resolution No. 86-13 establishing "No Parking" zones on the northwest and southeast sides of Tokay Street.

## COUNCIL COMMUNICATION

**TO:** City Council  
**FROM:** City Manager  
**DATE:** January 6, 1986  
**SUBJECT:** No Parking Zone at Tokay and Sacramento

**RECOMMENDED ACTION:** That the City Council establish No Parking zones on Tokay Street at Sacramento Street.

**BACKGROUND INFORMATION:** In response to a citizen complaint, Public Works staff performed an intersection study at the above location which is currently controlled with 2-way stop signs. The study showed that 4-way stop signs are not justified due to the low volume on Sacramento Street. However, staff does recommend a No Parking zone on the northwest and southeast sides of Tokay Street as shown on the attached exhibit. Realignment of the centerline on Sacramento Street should also be implemented as shown. These modifications should improve the sight distance at this location.
