CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: January 16, 1985
SUBJECT: CHURCH STREET TREE REPLACEMENT 1985

RECOMMENDED ACTION: That the City Council award the bid for CHURCH TREE REPLACEMENT 1985 to Popuch Concrete Contracting, Inc., the low bidder, in the amount of \$26,500.00.

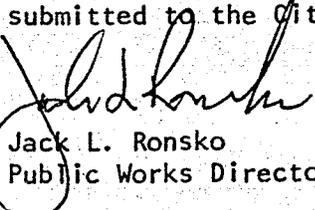

BACKGROUND INFORMATION: Plans and specifications for this project were approved by the City Council on January 2, 1985. Bids were opened on Wednesday, January 16, 1985, and the following three (3) bids were received:

<u>BIDDER</u>	<u>LOCATION</u>	<u>BID</u>
Popuch Concrete Contracting, Inc.	Lodi	\$ 26,587.00
James E. Anderson & Sons Constr.	Marysville	\$ 35,583.75
Cunningham & Sons, Inc.	Oakdale	\$ 36,011.00
Engineer's Estimate		\$ 29,200.00

A tabulation of the bids has also been attached.

The base bid was for installation of cast iron gratings. The low bidder also quoted an alternate for brick grating similar to those now existing on Church Street for \$50 less per tree. Because of the ease of cleaning in the future, and thus less future maintenance cost, it is felt the more attractive cast iron grates would be the best installation and it is recommended the contract be awarded on this basis.

Total cost of the project, including inspection and planting of trees by City crews is estimated at \$35,000. A special allocation in this amount will be submitted to the City Manager for approval.
