SUBJECT: THREE-PHASE PADMOUNT TRANSFORMER BID - (UD-E81-5)

On Tuesday, January 12, 1982, bids were received for one 500 KVA and one 750 KVA three-phase padmount transformer to replace the smaller units at Century Assembly Church on Century Boulevard and Albertson's/Pay'n Save Stores on West Kettleman Lane, respectively, because of increasing load. A summary of the bids is shown on the attached recap sheet.

Based on design data supplied by the bidders, the life-cycle cost of transformer losses has been evaluated. Column "B" is the dollar value associated with these losses. Based on minimum total life-cycle cost of the transformers, it is recommended that the entire bid be awarded to RTE Corporation in the amount of \$16,338.84, the lowest bidder meeting City specifications.

The cost estimate for this purchase was \$16,500.
