Dear Mr. Christensen:

Please be advised that the Audited Financial Statements and Other Financial Information for the City of Lodi for fiscal year ended June 30, 1980 was received for filing by the Lodi City Council at its regular meeting held January 21, 1981. I was directed by the Council at that meeting to correspond with you to relate Council's concern that they received this information so very late.

Your cover letter in this document was dated October 27, 1980. The document was received by this office on January 7, 1981.

Also the Council asked when we might expect to receive the management letter. Council feels that this is a viable tool and a necessary part of the audit that you prepare for the City of Lodi.

We would appreciate your prompt reply so that it can be forwarded on to the City Council.

Very truly yours,

  
Alice M. Reimche  
City Clerk
