

CITY COUNCIL MEETING

January 21, 1981

CITY TO  
SELL LA FRANCE  
FIRE ENGINE  
FOR RAFFLE  
PRIZE FOR  
FIELD & FAIR  
DAY

The City Clerk presented a letter which had been received from Ben Schaffer, Chairman of the Old LUHS Site Foundation Committee, who is involved in raising money for the purchase of the property for the future Lodi Community Center requesting permission to buy (at a mutually agreed upon price), the retired LaFrance fire engine presently located at the Fire Station No. 3. The engine will become the property of the Foundation who will license and insure it. The Committee requests the Council's approval to store the engine at its present location until Field and Fair Day which has been set for September 7, 1981. The Committee plans to sell raffle tickets using the engine as the prize. The drawing will be on Labor Day. The engine will also be used for other promotional activities to raise money. If the raffle winner does not wish to claim his prize, the Committee is prepared to accept the engine as a donation and have it become a part of the Lodi Community Center and it will be named for its donor. The Committee shall seek funds to underwrite the raffle promotion, insurance and licensing costs and respectfully request the Council's endorsement of this project.

On motion of Councilman Pinkerton, McCarty second, Council approved the sale of the retired LaFrance Fire Engine presently located at the Fire Station No. 3 to the Lodi High School Site Foundation Committee for a raffle prize at the September 7, 1981 Field and Fair Day under the conditions set forth in the letter of request dated January 13, 1981.

Gentlemen:

The members of the Old LUHS Site Foundation Committee who are involved in raising money for the purchase of the property for the future Lodi Community Center, request permission to buy (at a mutually agreed upon price), the retired La France fire engine presently located at the Fire Station No. 3.

The engine will become the property of the Foundation who will license and insure it. We request your approval to store the engine at its present location until Field and Fair Day which has been set for September 7, 1981.

We plan to sell raffle tickets using the engine as the prize. The drawing will be on Labor Day. The engine will also be used for other promotional activities to raise money.

If the raffle winner does not wish to claim his prize, we are prepared to accept the engine as a donation and have it become a part of the Lodi Community Center and will be named for the donor.

We shall seek funds to underwrite the raffle promotion, insurance and licensing costs and respectfully request the Council's endorsement of this project.

Very truly yours,

*Ben Schaffer*

Dear Mr. Schaffer: <sup>BW</sup>

Please be advised that your January 13, 1981 letter regarding the sale to the Foundation by the City of the retired LaFrance fire engine presently located at Fire Station #3 was brought to the Council at its regular meeting held January 21, 1981.

The City Council, by motion action, approved the sale of this fire engine to the Lodi High School Site Foundation for a raffle prize at its September 7, 1981 Field and Fair Day under the conditions set forth in your letter of request dated January 13, 1981.

Should you have any questions regarding this action, please do not hesitate to call this office.

Very truly yours,

Alice M. Reimche  
City Clerk
