BIDS
REQUESTED FOR
RADIO
EQUIPMENT
MAINTENANCE

Council was apprised that the City had been placed on notice by McGee Communications that rates for radio maintenance are to be increased by 90%. Staff recommended that inasmuch as there are a number of qualified radio maintenance firms in the area that Council authorize the City Clerk to solicit requests for proposals for maintenance of radio equipment.

On motion of Councilman Pinkerton, Murphy second, Council authorized the City Clerk to advertise for bids for the maintenance of the City's radio equipment.
