Further, a letter had been received from the Lodi Rotary Club, indicating they would like to complete the project. The work remaining consists mainly of the installation of the wood arbor structure. All of the materials are presently stockpiled at the City's Municipal Service Center.

On motion of Mayor Snider, Olson second, Council accepted with deep appreciation the Lodi Rotary Club's offer to complete the construction of the Hutchins Street Median Arbor. City Clerk Reimche was directed to forward a letter of appreciation to the Lodi Rotary Club on behalf of the Council.
