SUBJECT: MEETINGS ON SCHOOL "IMPACTION"

Dear Council Members and City Managers:

The Board of Supervisors has asked me to coordinate an effort of city government officials, school districts, and representatives of developers in an attempt to find a workable solution to the problems of residential developments' impaction on school districts. This group will be primarily responsible for proposing an alternative or changes to the "bedroom tax" now in effect.

An initial meeting has been scheduled for 3 p.m. in the Chambers of the Board of Supervisors on Monday, February 23, and I would appreciate your city sending a representative to that meeting. If possible, please call my office as soon as possible to let me know who your representative will be.

Sincerely,

GEORGE L. BARBER
Supervisor
