CITY APPLAUDED ON  
EFFORTS DURING  
EMERGENCY SITUATION

Mary Helen Barro of King Video Television Company and Dr. Wayne Kildall of the Center of Hope addressed the Council applauding the City for its efforts during this emergency situation.

City Manager Peterson commended all City employees on their effort and dedication during this period.

The efforts of volunteers giving aide were also applauded, as well as the outstanding job being done by King Video Television in keeping the people of this community apprised of the latest information available regarding the matter.
