TO: THE STATE, COUNTY AND CITY OFFICIALS AND
INTERESTED PARTIES

PACIFIC GAS AND ELECTRIC COMPANY hereby gives notice that in Application No. 60263 it has requested authorization under its Gas Adjustment Clause (GAC) to revise its gas service tariff effective April 1, 1981, to reflect gas costs, to amortize the Gas Cost Balance Account (GCBA) undercollection and to modify its Gas Adjustment clause.

The proposed rates would increase PGandE's gas revenues about 10.8 percent or \$123.2 million for the four-month period April 1, 1981 to July 31, 1981. The increase will not raise PGandE's Gas Department rate of return above the level of 10.3 percent last found just and reasonable for PGandE's Gas Department by the California Public Utilities Commission.

The State, the counties, the municipal corporations, and other parties interested in the above-mentioned filing will be furnished a copy of Application No. 60263 with related exhibits, upon written request made to PGandE, 77 Beale Street, P. O. Box 7442, San Francisco, California 94106, Attention: Robert Ohlbach, Associate General Counsel.

This notice is given in accordance with Rule 24 of the Revised Rules of Practice and Procedure of the California Public Utilities Commission.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
