Re: Voluntary Services to the City

I have met with Lodi High School Attendance Officer Jess Cerna who is interested in coordinating community service activities with the City for students who need to serve "detention time".

Detention time allows the student who has been tardy to class or skipped altogether the alternative to being suspended.

I have recommended to Mr. Cerna that these students serve Community Service time on the Old LUHS campus doing odd jobs such as scrubbing down the cafeteria building, picking up trash or scraping the handball courts.

The students will be jointly supervised by the City and LHS administration each Friday afternoon during the school year from 2 to 4:30 p.m.

I have discussed this matter with City Attorney Ron Stein who indicates we should have a resolution providing workmen's compensation insurance benefits to volunteer workers without pay.

The anticipated beginning community service date is March 13, 1981.
