

CITY COUNCIL MEETING

March 17, 1982

Council was apprised that the 1981-82 budget has provided \$41,250 for the purchase of 5 police vehicles. Normally, the City purchases Police vehicles from the State of California. This year, the State is purchasing CHP vehicles from Chevrolet. If the City were to purchase Chevrolets, it would be necessary to make major modifications to the screens and equipment brackets to transfer them from the present vehicles. This cost is estimated to be \$400 to \$500 per vehicle. The price from the State would be \$8,394.64 per vehicle.

AWARD - POLICE  
VEHICLES TO WEIL  
MOTORS

RES. NO. 82-29

The 1982 Dodges will accept the present equipment with little or no modification. The City has received an unsolicited quotation from Swift Dodge of Sacramento to provide 1982 Dodge Diplomats with CHP police vehicle specifications for a delivered price of \$8,156.66 per vehicle, including tax. The City contacted Weil motors and asked if they could meet that quoted price and the City subsequently received a quotation from Weil Motors of \$8,146.10. It was Staff's recommendation that the City Council award the purchase of five (5) 1982 Dodge Diplomat vehicles with police package to Weil Motors, Inc. of Lodi at a cost of \$8,146.10 per vehicle, including tax. On motion of Councilman Pinkerton, Murphy second, Council adopted Resolution No. 82-29 awarding the purchase of five (5) 1982 Dodge Diplomats to Weil Motors, Inc. at a cost of \$8,146.10 including tax per vehicle.

# COUNCIL COMMUNICATION

TO THE CITY COUNCIL  
FROM THE CITY MANAGER'S OFFICE

DATE

NO.

SUBJECT: PURCHASE OF POLICE VEHICLES

RECOMMENDATION: The City Council award the purchase of five (5) 1982 Dodge Diplomat vehicles with police package to Weil Motors, Inc. of Lodi.

BACKGROUND: The 1981-82 budget has provided \$41,250 for the purchase of 5 police vehicles.

Normally, we purchase Police vehicles from the State of California. This year, the State is purchasing CHP vehicles from Chevrolet. If we were to purchase Chevrolet's, it would be necessary to make major modifications to the screens and equipment brackets to transfer them from our present vehicles. This cost is estimated to be \$400-\$500 per vehicle. The price from the State would be \$8394.64 per vehicle.

The 1982 Dodges will accept our present equipment with little or no modification. Therefore, it is best to purchase Dodges.

We received an unsolicited quotation from Swift Dodge of Sacramento to provide 1982 Dodge Diplomats with CHP police vehicle specifications for a delivered price of \$8156.66 per vehicle, including tax. We contacted Weil Motors and asked if they could meet that quoted price. We received today a quotation from Weil Motors: a price of \$8146.10.

To recap the quotations:

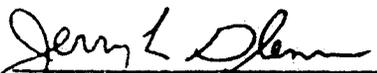

State of California (Chevrolet Impala)	\$8394.64
Swift Dodge	\$8156.66
Weil Motors	\$8146.10

Weil Motors is obviously the low bidder.

Council is therefore respectfully requested to award the bid for five (5) 1982 Dodge Diplomats as specified below, to Weil Motors:

1982 Dodge Diplomat with CHP Police Specifications  
Side Moldings  
Radio Panel  
H. D. Vinyl Rear Seat  
All Units Keyed Alike

for a price of \$8,146.10 per vehicle, including tax.
