THEREON.

CITY OF LODI

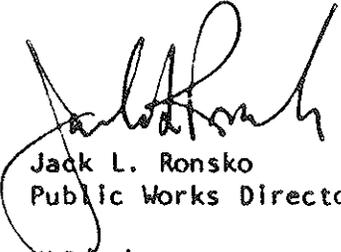

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: March 13, 1981
SUBJECT: Approve Specifications for the MSC Warehouse Shelving and Storage Units

RECOMMENDED ACTION: That the City Council approve the specifications for furnishing and installing the MSC Warehouse Shelving and Storage Units and authorize the Purchasing Agent to advertise for bids to be received on Wednesday, April 1, 1981.

BACKGROUND INFORMATION: The shelving for the MSC warehouse was approved in the 1980-81 Capital Improvement Program. The budgeted amount for the work is \$40,000.

The proposal calls for numerous types of shelving and storage bins. The specifications were written to meet the immediate requirements of the Electrical Utility Department. It is expected that additional shelving and storage units will be budgeted in the 1981-82 C.I.P. to meet the storage requirements of the other City departments.

Jack L. Ronsko
