SUBJECT:
LAKE PARK WILDERNESS AREA

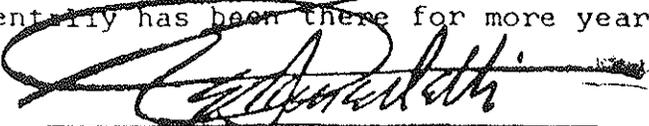

During the past years, with financial help of 1974 Bond monies of \$111,000.00 as well as \$26,000.00 in federal Land/Water Conservation grants, the following programs have been completed and/or are reaching completion:

1. Plans and specifications for the project.
2. Trails have been brushed out as per plan.
3. Water line and service road have been completed.
4. Barbecue area at Hughes Beach is being installed to include:
 - a. Large barbecue pit
 - b. Cement pad with tables to accommodate 50 people and six tables.
 - c. Seven tables placed in the area at random or to be used in conjunction with those on the pad which are stationary.
5. Paved parking area on Hughes Beach for ten cars, mainly to service the picnic area groups so that they can park close to unload their goods.
6. Water to irrigate the area.
7. The following are to be installed:
 - a. Two horseshoe courts at Hughes Beach.
 - b. One volleyball court on grass only.
8. Chain, wood sign, etc., designating entrance to the Wilderness Area.

Having accomplished the above, there will still be a balance in this account of state or federal monies. I have consequently received permission from State authorities to purchase play equipment for Lodi Lake Park with the balance of funds. I therefore recommend the following:

Natureville VII 4-deck system, Model #144-562 \$7,650.00 plus tax
(see attached)

This equipment will be installed on the south side where the present equipment is located, which incidentally has been there for more years than I can remember.

Ed DeBenedetti, Director
Recreation and Parks Dept.
