

CITY COUNCIL MEETING
MARCH 19, 1986

25

INFORMATION REGARDING
ELECTRICAL UTILITY
RATES QUESTIONED

CC-7 (j)
CC-51 (a)

Council Member Pinkerton questioned information he had recently read indicating that utility charges to customers served by N.C.P.A. are approximately 16% less than like charges to PG&E customers. Discussion followed, with the City Manager indicating that he would provide information to the Council regarding questions that were raised during this discussion.
