

CITY COUNCIL MEETING  
MARCH 19, 1986

CENTURY BOULEVARD  
IMPROVEMENTS, MILLS  
AVENUE TO W.I.D.

CC-46  
CC-48 (e)  
CC-12.1 (a)  
CC-45 (a)

Council was apprised that the Century Boulevard Improvements, Mills Avenue to W.I.D. includes paving the W.I.D. canal crossing and the north half of Century Boulevard west to Mills Avenue. The "No Parking" is

RES. NOS. 86-42  
AND 86-43

required along the reverse frontage of Century Boulevard to provide adequate travel lanes for vehicles and the anticipated bicycle traffic.

Further, the proposed reimbursement resolution establishes a street improvement fee for the undeveloped remainder of the Whispering Oaks development. This work would be the developer's responsibility, but in order to provide improved access from Ham Lane to Mills Avenue, this portion must be included in this project

Council took the following actions pertaining to this matter:

Approved the Plans and Specifications and authorized the advertising for bids thereon.

Adopted Resolution No. 86-42 establishing "No Parking" on the north side of Century Boulevard from 100 feet east of the W.I.D. right-of-way to the west end.

Adopted Resolution No. 86-43 calling for reimbursement to the City for the construction of street and electric improvements in Century Boulevard, 171 feet east of Mills Avenue west of Sorrel Drive.
