

CITY OF LODI
COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing City Manager to Execute Professional Services Agreement with Empire Today, LLC, of Union City, through U.S. Communities Bid Process for City Hall Carpet Replacement Project (\$70,780) and Appropriating Funds (\$80,000)

MEETING DATE: March 20, 2013

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution authorizing City Manager to execute professional services agreement with Empire Today, LLC, of Union City, through U.S. Communities bid process for City Hall Carpet Replacement Project in the amount of \$70,780, and appropriating funds in the amount of \$80,000.

BACKGROUND INFORMATION: City Hall was last renovated in 1996. As part of the renovation, a broadloom, commercial-grade carpet was installed throughout the building. Over time, the carpet has started to loosen from its bond to the subfloor, causing wrinkles to form. Despite efforts to re-stretch the carpet, the wrinkles have grown severe enough to form a trip hazard.

In August 2012, the carpet on the stairway leading to the second floor and in the second floor lobby area was removed and replaced in order to eliminate the trip hazard in locations most visited by the public. Instead of using a broadloom carpet in the lobby area, commercial grade carpet tiles were chosen. The main advantage of carpet tiles includes the ability of City maintenance staff to replace an isolated stain or wear area without replacing an entire room area. Broadloom was used on the stairway because tiles are not suited for stairway installations. The installation went smoothly and looks very good.

The current project includes replacement of the remaining original carpet in City Hall with carpet tiles of the same color and pattern used to replace the second floor lobby area. The remaining stairway carpet (leading to the basement) will be replaced with the same broadloom product used on the stairway leading to the second floor. Empire Today, LLC (Empire Today) will be responsible for working around the existing office systems furniture, file cabinets and other obstructions. The work will be performed over two to three weekends that correspond with the City's Friday closures to minimize employee disruptions.

Empire Today was the successful bidder for U.S. Communities Contract 2865 for competitively-bid carpet and flooring installation services. Using the U.S. Communities Master Intergovernmental Cooperative Purchasing Agreement line item costs, the price to replace the existing City Hall carpet is \$70,780, excluding tax.

This approach is similar to purchasing vehicles from the State contract. By using the U.S. Communities contract, the formal bidding process has already been performed, allowing staff to more efficiently procure labor and materials for specialty work (such as facility carpet and flooring) while maintaining compliance with purchasing requirements. The professional services agreement with Empire Today includes all insurance and bonding requirements included on City construction contracts.

Per Lodi Municipal Code §3.20.045, State and Local Agency Contracts, the bidding process may be waived when it is advantageous for the City, with appropriate approval by City Manager and City Council, to use contracts that have been awarded by other California public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures.

This proposed contract is not subject to the City's local hire ordinance. Staff recommends Council adopt a resolution authorizing the City Manager to execute a professional services agreement with Empire Today, LLC, of Union City, for the City Hall Carpet Replacement Project.

FISCAL IMPACT: Replacing the existing City Hall carpet will reduce the City's trip and fall exposure while improving the appearance of the building.

FUNDING AVAILABLE: Requested Appropriation:
General Fund Capital (1211039): \$80,000
